Payment Terms & Methods

Method	Details
International Bank Transfer	This type of payment will include a \$75 Administrative Fee. See next section for Bank Transfer Information
Crypto	We accept Bitcoin (BTC), ETH, SOL, USDT (including Tether on Tron), USDC and other stablecoins and crypto currencies.
Paypal/Credit Card	Available and incur a 5% fee.
Checks	Paper checks are not accepted.
Via Reseller	In some cases your organization is not allowed to make an international (direct) purchase and you may have to ask a local reseller to assist in the process. This local reseller will have to add fees for transport, import, local tax, etc. This will likely make the local prices rise significantly.
Purchase Orders (POs)	Public Institutions: Purchases with PO are available on a case-by-case basis and must be paid within 10 days after the shipment is received. Private Companies: must pay in 100% advance.
Certificate of Origin	Certificate of Origins are available upon request for an additional \$50. If you know that you will need a COO, please ask us to add this to your quote today.
